- Keep track of your:
- *place*
 - *1-ahead*
 - *2-ahead*

"You to B"

- You will move **out** one place
- You will follow B
- Your new 2-ahead will be your old 1-ahead

"Somebody to you"

- You will move **in** one place
- Your new 1-ahead will be your old 2-ahead
(for you to follow or lead off)
- Figure out your new 2-ahead

All other calls

- Stay in the same place
- If your old 1-ahead is named, your new 1-ahead will be the other bell named
- Same for your 2-ahead
